A visual study of the star of this world reveals that the demons attach themselves, almost as with a power cord, to the sun. Like a mosquito or a tick latching on and draining its host, this appears to power their operations. What God has shown is that in the natural world, there are parasites, and in the spiritual world, there are parasites. The only way that we can remove spiritual parasites is through God's power, and prayer. What is impossible with man is possible with God.

The Bible teaches us that each person has a star. Like the sun, you and your star are a power source. The question is, what else is attached to you, and your star, that you do not know about?

Satan and the witchcraft world would like to use you for their purposes. They do not care if they drain and make you miserable in the process. Humans have stars, which are the ultimate spiritual power source. Certain kinds of spiritual entities in the evil world attach themselves to these stars like parasites. Then they feed off of the energy of the people, and darken them, controlling and manipulating them. It also appears to power their expansion and multiplication. Once they attach to a person, that person becomes part of the hive mind of the Anti-Christ system. Once attached, they not only drain from you, pulling your resources out of you, but then feed back into you their own mind-set, which is Anti-Christ.

Daniel 2:43 And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

"They shall mingle themselves with the seed of men." This scripture speaks of the evil spirits (iron) attaching themselves to men (miry clay). Broadly speaking, any time an evil spirit comes into a human, Satan's seed has mingled with the seed of the woman. In this specific case of stars, we want to cut all evil attachments that have latched onto and are draining and controlling humanity.

What can we do about this? Prayer. What is impossible with man is possible with God. You can approach this in several ways. The first route is through basic prayer, "Lord, please remove every evil thing that has attached itself to me." Next is the method of BBB BBB BBB Binding, which this has been thoroughly described here. Third, fastest and most effective, is the mental prayer route also described on this site.

Warning Indicators

Whenever you feel pin prick type sensations on your body, or a stinging feeling, the demons are "attaching" themselves to you like you attach your phone to a power cord. This is a sign to begin praying. Whenever you start to feel tired, irritated, or other negative thoughts, feelings, and emotions, begin to pray and keep praying until you feel better. BBB BBB BBB Bind everything bad in, around, and attached to me. Repeat, continually and throughout the day.

You can also pray this for anyone, not just yourself. God allows us to pray for others, and you can think of them and pray to cut the cords that connect them to darkness as well. If your family members or friends are starting to become irritated, depressed, or other negative emotions, pray this prayer for them as well. You might consider praying this prayer for every member of the body of Christ, or for leaders and other people who think may be attached to evil.

What to Pray

1. BBB BBB BBB Bind everything bad in, around, and attached to me. Repeat, continually and throughout the day.
2. Mental prayer. Think of yourself, and whoever else you wish to pray for. Then think of a disc like ring spinning around you and cutting through all cords that are running into you from the demons.

When should you pray these prayers? Daily, as a kind of spiritual hygiene routine. Then, pray additional sessions any time that you start feeling tired, irritated, frustrated, depressed, or other negative emotions. It is important in spiritual warfare to check how you are feeling and when you notice that you are not feeling well, pray immediately. You might be surprised how much better you feel after prayer.

How is the evil world making these attachments? It is hard to know for certain, but the demonic clouds, chemtrails, and possibly even our "smart" devices, wifi, bluetooth, and LED lights seem to be distributors of this evil. Satan wants to control you, and he will not ask your permission to do so.
